Customer Name: Cheryl Maher
Service Address: 76669 Begonia Ln, Palm Desert, CA 92211

Services	amount
----------	--------

Preventative Maintenance	\$0.00
--------------------------	--------

Performed maintenance for 1 split system. 1-24x24x1 inch filter was changed out and pvc drain lines at this time was cleared with co2. Indoor system is operating and running properly. At this time no issues were found. Outdoor condenser was checked and at this time systems components are at range and amperage's for compressor and fan motor are stabilized. Components for unit are fairly new and unit at this time needs no recommendations. Condenser coils were washed with water and at this time are clean, overall system is operating and cooling properly.
