- 02 Introduce Pacaso to your database of clients and professional contacts (e.g., builders, developers, investors and fellow agents).
- 03 Bring pre-market and off-market listings to Pacaso for a first look.
- 04 Educate current vacation home owners about sell-down ownership with Pacaso as an alternative to selling their whole home.

PACASO LISTINGS

“It was an amazing transaction and experience. My client lives in Dallas but was looking in Tahoe, and we learned about Pacaso. He loved the idea of owning a share of a house. It was a smooth and easy two-week process. As his agent I was hands off, Pacaso handled everything perfectly!”
