# 6411 Gary Court

**OFFERING** 

**MEMORANDUM** 

### **Executive Summary**

6411 Gary Court is a single family home on an oversized lot with immense value as a student housing rental.

Plans have already been developed for a 6-bedroom main house and a 1,200 square foot ADU.

Unlock \$13,300/month in gross rental income with a rentby-the-room student housing model.

This is an oversized lot close to SDSU with plentiful yard space for student tenants.

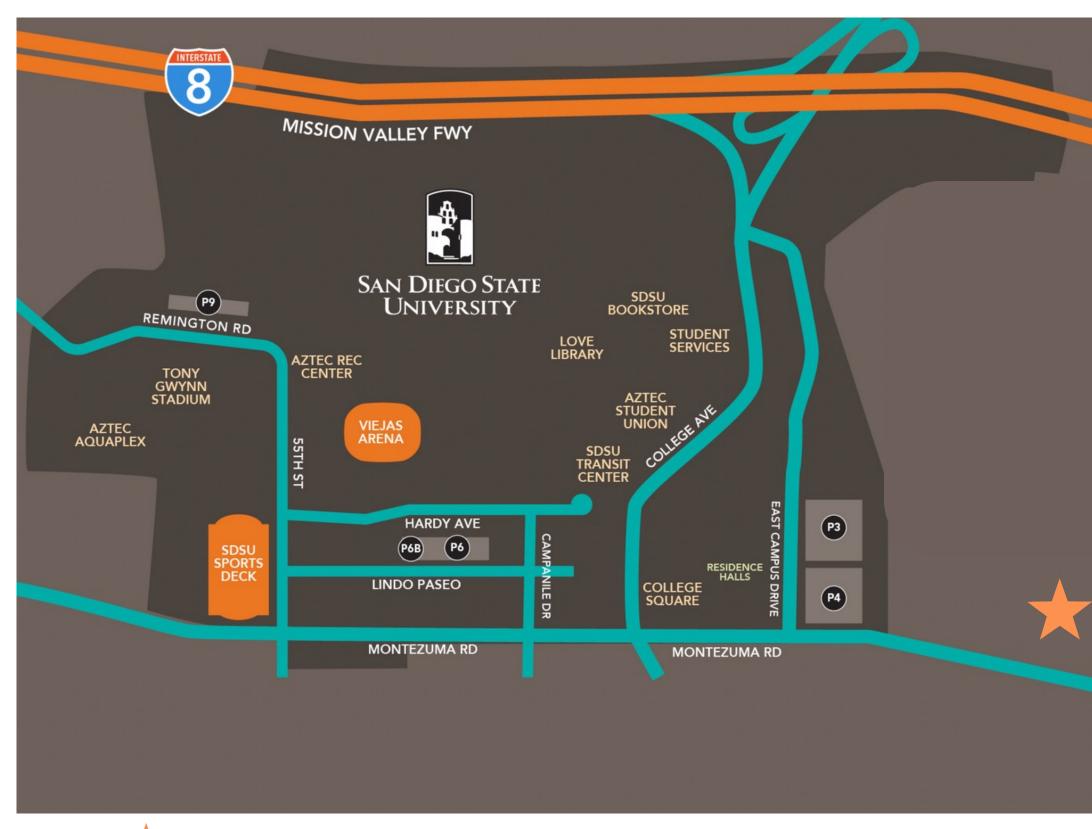

### Additional space available to add another 4-bedroom market-rate ADU!

| Financial Summary                                |             |  |
|--|-------------|--|
| Asking Price                                     | \$1,200,000 |  |
| Main House + ADU Monthly Income                  | \$13,300    |  |
| Going-In ROC                                     | 7.27%       |  |
| Potential Total Monthly Income<br>(with new ADU) | \$16,800    |  |
| Main House + ADU + NEW ADU ROC                   | 9.26%       |  |

# Demographic Analysis

• Target Population: Over 36,000 enrolled students at SDSU, with ~83% undergraduates; many seek off-campus housing.

• **Age Range:** Primary tenant pool is aged 18–24, with some grad students (25–30) and international students.

• Student Housing Demand: ~60% of SDSU students live off-campus, creating strong rental demand in surrounding neighborhoods.

• Household Income: Parental support is common; many students backed by middle-to-upper middle-class families, providing stable rent payment sources.

• Enrollment Trends: SDSU has experienced consistent enrollment growth, with increasing demand for STEM and health programs attracting out-of-area students.

• Housing Shortage: SDSU has limited on-campus housing capacity, leading to underserved demand for nearby private rentals.
