From the scenic drive up Highway 330 to the moment you arrive, this beautifully updated, three-story log cabin invites you to slow down and embrace mountain living. Nestled among towering pines in Running Springs, this custom-built retreat blends authentic rustic charm with thoughtful modern upgrades. Exposed log ceilings, knotty pine cabinetry, custom woodwork, and a reclaimed brick fireplace create a warm, inviting atmosphere throughout.

The main level features a spacious living room, an entertainer's kitchen with premium appliances, and a welcoming dining area. Step outside onto the covered deck, perfect for morning coffee and enjoying the fresh mountain air. Upstairs, two generous bedrooms and an updated spa-inspired bathroom with a deep soaking tub offer comfort and relaxation. The lower level, complete with a separate entrance, two additional bedrooms, a full bath, and flexible living space, provides an ideal retreat for guests or extended family.

Outside, unwind in the screened-in hot tub porch surrounded by mature pines and oaks, or enjoy the beautifully landscaped grounds. A detached four-car garage, EV charger, energy-efficient upgrades, and a newer roof with a snow-melt system add modern convenience.

Just minutes from forest trails, Snow Valley, Lake Arrowhead, and Big Bear, this exceptional home offers the perfect balance of peaceful mountain seclusion and easy access to adventure.

A place to slow down, reconnect, and experience mountain living at its finest.
