A: Dimensions and square footages are approximate and subject to some variations in materials and dimensions and changes resulting from production conditions and are not intended to be used for a statement of value. Units shown contained within any unit. All dimensions and square footages are measured to the exterior face of perimeter walls, the interior face of walls shared with certain common elements (e.g. 1/2" dry, back of house hallway doors, etc.) and the center line of unit dividing walls (e.g. walls between two adjacent units) and walls shared with the double end unit and include perimeter and interior walls, windows, shafts, closets and other structural elements. The developer reserves the right to make modifications to the floor plans and unit dimensions at any time.
